### Professional Summary

Experienced Mobile Application Developer and Project Manager with over 8 years in the software industry, specializing in Android, iOS, and cross-platform development. Skilled in Flutter, Kotlin, and Java, with hands-on experience in IoT integration, payment gateways, and cloud infrastructure. As Co-Founder of Fit Flow Pvt. Ltd., I have led multiple development teams, managed real-world projects, and guided developers through complete software lifecycles. I am passionate about sharing practical industry knowledge with students and helping them bridge the gap between academic learning and professional software development practices.
